

RISK MANAGEMENT SERVICES

## RecycleGuard

Chartis specializes in providing risk management services to our insureds. We understand the issues and will work to help minimize the potential for loss to your organization.

### ***Consultative Services***

Has your organization implemented, evaluated, and monitored your risk management program to minimize injury? Our professional staff has the expertise to help your organization maximize quality and reduce risks in general liability, fleet management, and property conservation.

### ***Educational Webinars:***

A variety of risk management issues are presented by leading industry experts. The large selection of webinars are available to you live or at any time via our archived library. Register at <http://www.lexcasts.com>

### ***On-line Safety Training:***

Visit [www.lexingtoninsurancetrainer.com](http://www.lexingtoninsurancetrainer.com) for an easy-to-use, automated risk management training system that allows your employees to log in and complete courses at their own pace. Choose from a wide variety of general safety and driver training courses. This site enables you to cost-effectively train your employees and track their progress in far less time than traditional training methods.

### ***Vehicle Monitoring (“1-800 How’s My Driving?”)***

Vehicle monitoring decals are an available service used by many industries. The program is designed to accept input from motorists who see the 1-800 decal on a participating vehicle and phone the call center to report observations concerning the operation of the vehicle.

### ***Criminal Background Checks:***

Are you protecting your assets? You should be – because you cannot afford to recruit employees or volunteers with a history of serious crimes or improper behavior. IntelliCorp, a state of the art ISO company, provides 50-state criminal and sexual offender record checks for our insureds at a deeply discounted rate. Contact Matt Garbincus at 800-539-3717 for more information.
